

Virginia Soft Matter Workshop II

October 4, 2014

Virginia Tech

Hahn North 130, 9:00am – 5:00pm

Registration/breakfast open at 8:15am

Virginia Soft Matter Workshop brings together researchers working on the science of soft matter, such as polymers, complex fluids, and biomaterials, for an informal meeting to exchange ideas and foster collaborations. There will be a mix of invited talks, brief contributed sound bites, and unstructured time.

Invited Speakers

Michael Rubinstein

Univ. of North Carolina at Chapel Hill

David Green

University of Virginia

William Mather

Virginia Tech

Hannes Schniepp

The College of William and Mary
