

Virginia Soft Matter Workshop III

November 14, 2015

University of Virginia

Nau Hall Auditorium, 9:00am – 5:00pm

Registration/breakfast open at 8:15am

Virginia Soft Matter Workshop brings together researchers working on the science of soft matter, such as polymers, complex fluids, and biomaterials, for an informal meeting to exchange ideas and foster collaborations. There will be a mix of invited talks, brief contributed sound bites, and unstructured time.

Invited Speakers

Michael Bevan

Johns Hopkins University

Eric Loth

University of Virginia

Greg Liu

Virginia Tech

Gary Koenig

University of Virginia

Daniel Sunday

NIST
