Electron scattering for neutrino physics at MAMI

Wednesday, March 17, 2021 9:05 AM (10 minutes)

We will present new results and opportunities for neutrino physics with high precision electron scattering experiments at the MAMI electron accelerator facility.

Primary authors: Dr BACCA, Sonia (JGU, Mainz); Dr DORIA, Luca (Johannes Gutenberg University Mainz)

Presenter: Dr DORIA, Luca (Johannes Gutenberg University Mainz)

Session Classification: Flash Talks
