 - (a) Proposal to update CSAAPT Website – Tatsu Takeuchi (vice president)
 - It would be nice if:
 - it had a more professional look
 - people could subscribe or unsubscribe from the mailing list through the website without our communication liaison (Elena Kuchina) having to deal with it by hand
 - we could collect the annual member dues via the website
 - had links to the National AAPT, VAST, VIP, etc.
 - had pages where people could share material
 - etc.
 - (b) Now that we are on Twitter, should we also consider having a presence on Facebook, LinkedIn, etc.? Can we afford it? Who will maintain the content?
